

PLEDGE 2

I pledge to care about our planet and its ability to sustain life for future generations

I pledge to support clean energy and green alternatives

I pledge to practice ways to Reduce, Reuse and Recycle

I pledge to visualize positive change for our planet and our communities, and to share that vision with everyone I meet

I pledge to lead the people around me by example through my own thoughtful actions

I plede to live in harmony with the Earth, our only home.
